Outgrowing Your Software?

InterAcct Software

You Need a New System

- ✓ You've been using an **Entry Level** Book-Keeping Software Package (MYOB, Quick Books, Xero)
- ✓ Your business is expanding **upwards and outwards**
- ✓ You keep adding Excel Spreadsheets and other non-integrated system to fill in your day to day needs
- ✓ Your software is too **inflexible** to satisfy your specific requirements

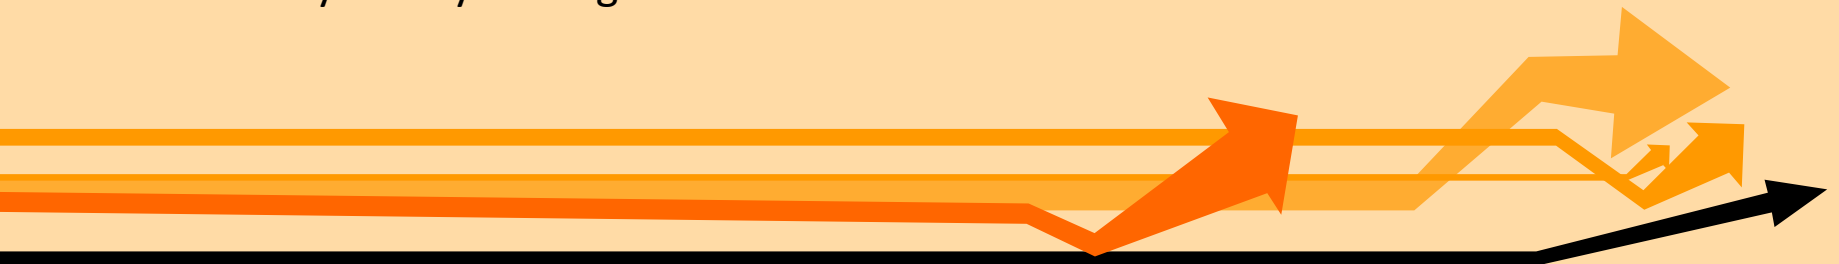

Ask Yourself

Maybe it is time to do a 'Software Review' with selected employees to see if they have the right software tools

InterAcct Software Boasts:

- ✓ Each customer with a '*100% Perfect Fit*' solution through personalised customisation
- ✓ Australia Small Business Awards
- ✓ Successful Software House since 1983 – Over 30 Years
- ✓ Proudly Family Managed and Owned

The Engine Room

Often the main task of a small / medium sized business is all about:

- ✓ Generating more qualified sales leads
- ✓ Converting those leads quickly into sales revenue
 - ✓ This may involve *estimating and quoting*
- ✓ Monitoring actual **Gross Profit** with what was estimated
- ✓ Job and Employee **Work Schedules**
 - ✓ Key to maintaining customer service levels
- ✓ **Stock Control**
 - ✓ Backorders
 - ✓ Purchase Orders
 - ✓ Imports
 - ✓ Receiving
 - ✓ Issuing
- ✓ Having relevant **Key Performance Indicators** during the Day, Week, Month and Year
- ✓ Access to meaningful Financial and Management Reports
